Introducing...

Mosquito Beater®

"WSP"™

WATER SOLUBLE POUCHES

Biological Mosquito Control

for standing water

- Individual pouches can be opened to allow applications of granules to smaller areas
- Water-soluble pouches dissolve on contact to quickly release the active ingredient
- 24 pouches per card allows for 30 day protection of 600 sq. ft. of water surface
- Use of multiple pouches provides wider distribution of ingredients
- Will not harm fish, amphibians or other aquatic animals
