DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

Use this product to repel deer, rabbits and tree squirrels that feed on flowers, plants, shrubs, grass, bulbs, trees and seedlings. Do not apply at temperatures below 40° F, or in wet, windy conditions.

IMPORTANT

Not for direct use on plants intended for human consumption (i.e. food plants). This product contains egg solids which may cause allergic reactions in some individuals. Do not allow spray to drift onto plants intended for human consumption.

APPLICATION DIRECTIONS

Shake the container of SHOT•GUN Deer & Rabbit Repellent Ready to Use spray before use. Spray leaves, stems, flowers and branches thoroughly from all angles, until run-off or leaves look wet. Treat vulnerable plants at the beginning of each damage season. Reapply every 2-3 months, or as new growth emerges and if the effects of the previous treatment appear to be waning. Reapply after rain. Clean sprayer after each application to prevent clogging.

One quart of **SHOT•GUN Deer & Rabbit Repellent Ready to Use** spray treats 45-50 ornamental shrubs 4 feet tall or an area of about 500 sq. ft. Surface conditions, size and texture of planting will affect the area for treatment with a given quantity of spray. Before large-scale treatments, test product on a small area of plant type to avoid possible plant damage.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store only in original container, in a cool, dry area. Keep away from children and pets. Protect from heat and freezing. Store between 40°F and 90° F. Keep container tightly closed to prevent spillage and evaporation. If spillage occurs, dilute with water and flush away.

DISPOSAL: *If empty-* Nonrefillable container. Do not refill or reuse this container. Place in trash or offer for recycling if available.

If partly filled - Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID

If in eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
--------------------	---

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Contact 1-800-858-7378 for emergency medical treatment advice.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

ENVIRONMENTAL HAZARDS: For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.
