

TRUSTED SINCE 1926

BONIDE®

Everything a gardener needs

APRIL
Seasonal
Solution

It is time to apply *All Seasons®* Horticultural and Dormant Spray Oil containing a Superior Type Paraffinic oil. This highly refined oil kills overwintering insect pests by smothering and has no environmental toxicity. Because of its unique attributes, *All Seasons®* is approved *for organic gardening* by the **National Organics Program**. Use *All Seasons®* now and throughout the growing season to control insects on fruit trees, perennials, shrubs and even vegetables.

Available at garden centers everywhere
