Solution
GARDEN
NATURALS

Voles, Moles, Gophers, Skunks, Ground Squirrels or Rabbits? Whichever critter is tearing up your yard, flower bed or garden, MoleMAX® will chase it away. Made from all natural ingredients, MoleMAX® is easily applied by hand or with your lawn spreader and keeps these varmints away for up to 3 months. MoleMAX® is the easy, fast and friendly way to chase unwanted burrowing animals out of your yard and garden.

Available at garden centers everywhere
