Controls over 200 weeds!
Including Dandelion, Chickweed, Knotweed
Slow-release nitrogen-helps provide extended feeding
Phosphate-free fertilizer

Phase 2 of a 4 phase process for best results

Kills weeds and fertilizes the lawn
Contains iron for deep greening

Slow-release nitrogen-helps provide extended feeding

16-0-8

LATE SPRING
PHASE 2
FALL

Keep Out Of Reach Of Children
CAUTION-PRECAUTION

Do not contaminate water, food or feed by storage and disposal.

CAUTION - Boron and molybdenum are recommended for all crops where boron and molybdenum may be deficient; however, excessive application to susceptible crops may cause damage. Crops high in boron and molybdenum have reduced tolerance to molybdenum. Do not use on alfalfa or crops high in boron and molybdenum. The following settings are approximate for applying contents of this package at a suggested rate of 3.2 pounds per 1,000 square feet. These settings are furnished only as a guide. Age, spreader condition, location, and weather can affect the performance of this product. Full coverage of weeds is desirable. Do not apply this product when weeds are stressed by drought, lack of light, disease, or insect damage. Do not apply this product to a lawn if it is freshly mowed. Do not apply this product to a lawn that has been watered within 48 hours of application. Do not apply this product to lawns that are susceptible to iron deficiency. Do not apply this product to lawns that have symptoms of iron deficiency. Do not apply this product to lawns that have been watered within 48 hours of application. Do not apply this product to lawns that have been watered within 48 hours of application. Do not apply this product to lawns that have been watered within 48 hours of application. Do not apply this product to lawns that have been watered within 48 hours of application.

PHASE 2
FALL

Kills weeds and fertilizes the lawn
Contains iron for deep greening

DuraMAX

DuraMAX with slow release (N) FERTILIZER

PHASE 2
FALL

Kills weeds and fertilizes the lawn
Contains iron for deep greening

Store in a cool, dry place. Keep container closed and away from food, feedstuffs, water, and pesticides.

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, or brooks. ### Ingredients

**Other Ingredients:**

- (+)-R-2-(2-Methyl-4-Chlorophenoxy)propionic Acid: 0.359%
- 2,4-Dichlorophenoxyacetic Acid: 1.346%
- 3,6-Dichloro-o-Anisic Acid: 0.090%

**Micronutrients:**

- Boron (B): 0.02%
- Copper (Cu): 0.05%
- Zinc (Zn): 0.05%
- Iron (Fe): 0.12%
- Manganese (Mn): 0.05%
- Molybdenum (Mo): 0.05%
- Potassium (K): 2.00%
- Magnesium (Mg): 0.50%
- Silicon (Si): 3.00%
- Calcium (Ca): 3.00%
- Phosphorus (P): 8.00%

**Additional Information:**

- This product is designed to promote lush green growth in lawns and gardens. It contains extended feeding for up to 150 days and is registered for use in lawns and gardens for extended feeding.

- **Kills weeds and fertilizes the lawn:** The product contains 3,6-Dichloro-o-Anisic Acid, which helps control weeds, and 2,4-Dichlorophenoxyacetic Acid, which provides extended feeding.

- **Controlls over 200 weeds:** The product is effective against a wide range of weeds, including Dandelion, Chickweed, Knotweed, and more.

- **Non-Selective Herbicide:** The product is non-selective and will kill broadleaf weeds and grasses in lawns and gardens.

- **Safe for Use:** The product is safe for use around people and pets when following the instructions on the label.

- **Storage:** Store in a cool, dry place. Keep container closed and away from food, feedstuffs, and pets.

- **Disposal:** If pesticide gets on skin, wash immediately with soap and water. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. Have the product container or label with you when calling a poison control center or doctor, or going to a hospital emergency room.

- **Application:** Apply this product to turf as directed on the label. Do not allow people or pets to enter the treated area.

- **Groundwater Contamination:** Application around a cistern or well may result in contamination of drinking water or groundwater.

- **PESTICIDE STORAGE:** Store in a cool, dry place. Keep container closed and away from food, feedstuffs, and pets.

- **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** This product is a non-hazardous waste. Do not use it near food or feedstuffs. Do not use it near people or livestock. Do not apply this product near waterways, streams, or lakes.

- **Label Directions:** For more information, please refer to the label directions on the product container.

- **Product Guarantee:** Information concerning the raw materials composing this product can be obtained by writing to the Guarantor of the product.

- **Warranty:** The product is warranted by the manufacturer for the duration specified on the label. The manufacturer shall not be liable for any loss, damage, or expense caused by the use of this product, except as expressly set forth in the warranty.
